C I R C U L A R

Subject: Preventive measures to contain the spread of COVID-19 – Govt. of Maharashtra order dated 04.06.2020 ‘Levels of Restrictions for Breaking the Chain – reg.

DAE vide OM No. 16/06/2020-SCS/COVID-19/Vol-III/6544 dated 07.06.2021 has forwarded a copy of Government of Maharashtra’s Order No. DMU/2020/CR.92/DisM-1, dated 04.06.2021 (Copy enclosed), on the above subject for information and strict compliance until further orders.

2. Accordingly, attendance and other aspects will be regulated as per following instructions in BARC, Trombay and all BARC establishments located in the State of Maharashtra.
3. The attendance of all Officers/Staff shall be 50% of the total strength everyday. Rest of Officers/Staff shall Work from Home. Heads of Divisions shall prepare roster of employees accordingly.
4. Essential services like Fire, Security, Operation & Maintenance, Traffic, Round the clock shift operations, water, electricity, pre-monsoon activities, IT services supporting critical infrastructures and Services shall function with full capacity.
5. All Officers and other staff in BARC Hospital and Dispensaries under Medical Division shall function with full capacity.
6. Shuttle services will be available at North Gate for commuting within BARC as usual.
7. Persons with disabilities and pregnant women employees are exempted from attending office, but they shall continue to work from home, until further orders.
8. The Officers/Staff shall follow staggered timings to avoid over-crowding in offices/workplaces as decided by the Heads of Divisions.

9. All officials who attend office shall strictly follow Covid-appropriate behavior including wearing of mask, physical distancing, use of sanitizer and frequent hand-washing with soap and water.
10. Crowding in lifts, staircases, corridors, common areas, including refreshment kiosk and parking areas is to be strictly avoided.
11. Meetings, as far as possible, may continue to be conducted with video-conferencing and personal meetings with visitors, unless absolutely necessary in public interest, are to be avoided.
12. In compliance of DoPT OM dated 22.04.2021, all employees of the age of 18 years and above, are advised to get themselves vaccinated.
13. Those officers/staff who are working from home on a particular day are to make themselves available on telephone and other electronic means of communications at all times. No employee can claim work from home as a matter of right. In case of any emergency work, any employee can be called for duty and such duty shall not be refused. Those employees who refuse to attend duty when called for, or those who do not respond to phone calls, or other modes of communication, strict action will be taken in such cases.
14. The above order will be effective with immediate effect and remain in force until further orders.
15. All employees are advised to periodically check BARC web site especially on holidays regarding any updates in the instructions.
16. This issues with the approval of Competent Authority.
17. Hindi version will follow.

June 7, 2021

OFFICE MEMORANDUM

Subject: Preventive Measures to contain the spread of COVID-19 - Govt. of Maharashtra order dated 04.06.2021 'Levels of Restrictions for Breaking the Chain' - Regarding

The undersigned is directed to refer this Department's OM No. 16/6/2020-SCS/COVID-19/Vol.III/6315 dated 31.05.2021 and also to forward a copy of Government of Maharashtra (GoM) Order No. DMU/2020/CR.92/DisM-1 dated 04.06.2021 on the above subject, for information and strict compliance by DAE and its Constituent Units/PSUs/Aided Institutions located in the State of Maharashtra.

2. Special attention is drawn to Paras III(8) and III(24) of GoM Order dated 04.06.2021 referred to above. Heads of DAE and its Constituent Units/PSUs/AIs located within the State of Maharashtra may take action with respect to regulation of attendance of their employees accordingly. The attendance may be varied and regulated depending upon the Levels of restrictions as notified by the GoM/Media reports from time to time. The GoM Order dated 04.06.2021 shall be effective immediately, until further orders.

3. All "Essential Services" which have been exempted such as Health Care, Fire, Security, Transport etc. shall continue to function with full strength.

4. This issues with the approval of Competent Authority.

(Sandeep S. Deokar)
Under Secretary (SCS)

4. Ministry of Home Affairs (MHA) Order No. 40-3/2020-PM-1 (A) Dated 1st May 2020, 11th May 2020, 17th May 2020, 20th May 2020, 30th May 2020, 29th June 2020, 29th July 2020, 29th August 2020, 30th September 2020 and 27th October 2020, 25th November, 2020, 28th December, 2020, 27th January, 2021 and 23rd February, 2021 and 28th May, 2021

Whereas, in exercise of the powers, conferred under the Disaster Management Act 2005, the undersigned, in his capacity as Chairperson, State Executive Committee has vide various orders imposed restrictions in the State to break the chain of transmission of the COVID 19 virus from time to time;

And whereas the State Government is satisfied that the State of Maharashtra continues to be threatened with the spread of COVID-19 virus;

170

And whereas the state Government, in order to effectively respond to the Covid 19 pandemic has substantially upgraded medical facilities available in the state for the testing as well as treatment of Covid 19 disease and has substantially increased the number of hospital beds including oxygen supported beds;

And whereas in order to ensure that State as a whole has adequate reserves of oxygen to cater to new Corona Cases, Oxygen as a resource is to be judiciously used at the state level to ensure that no part of the state faces shortage of the same during times of need and thus if oxygen requirement for the whole state for tackling Covid 19 patients is beyond a critical percentage of its own total production capacity, none of the parts of state may be allowed to relax restrictions and risk increase in numbers of infections;

And whereas various parts of the state are at various stages of infections and must correspondingly have different severity of restrictions to 'break the chain';

And whereas some of the districts need to be divided into different administrative units for the limited purpose of imposition of Covid restrictions, given administrative structures as well as, to a large extent, self-contained nature of basic economic activities;

And whereas it is imperative that decisions about severity of restrictions must be taken rationally on the basis of various parameters that might be considered as indicative of current and future severity of the infection as well as probable cases that may arise in foreseeable future for medical treatment as well as parameters that are indicative of availability and adequacy of medical resources for treating these future cases and that may raise alarm at the right time that the health system may be coming under duress and may get overwhelmed in coming days;

And whereas it is also important that there is an appreciation in the public at large about the reasons behind restrictions on economic activities so that their voluntary compliance may be expected and also that citizens are aware that restrictions are needed due to existing scale of pandemic so that their self-restrained behavior in compliance for Covid Appropriate Behavior may also be expected and also that citizens may realize that if with collective restrained and disciplined behavior they help to bring down the spread and thus allow more social and economic transactions to be freed from constraints;

Now therefore the Government in exercise of the powers conferred under Section 2 of the Epidemic Diseases Act, 1897, read with all other enabling provisions of The Disaster Management Act, 2005, finds it is necessary to impose various levels of restrictions in

Arunk

different parts of the State based on the conditions in each respective district/ administrative unit to not only break the chain of transmission effectively but also to commence disciplined restart of various economic and social activities without forgoing the gains achieved in controlling the spread of Covid 19 infection through measures of restrictions.

In view of the above, following regulations are framed for effective measures of restrictions for containment of Covid 19 pandemic, in various administrative units of the State of Maharashtra.

I. Administrative Units:

A. Municipal Corporation of Greater Mumbai, Pune Municipal Corporation, Thane Municipal Corporation, Nashik Municipal Corporation, Pimpri Chinchwad Municipal Corporation, Aurganbad Municipal Corporation, Vasai-Virar Municipal Corporation, Navi Mumbai Municipal Corporation, Nagpur Municipal Corporation, Sholapur Municipal Corporation and Kalyan-Dombivali Municipal Corporation will be treated as separate administrative units.

B. Remaining area of each of 34 districts (other than Mumbai City and Mumbai Suburban District), after carving out areas under sub-section A, shall form a separate single administrative unit.

C. DDMA may propose any contiguous area with common characteristics and self-contained economic and social interactions, where the population is at least about one million, to be declared as a separate administrative unit for the limited purposes of this regulation, to CEO of State Disaster Management Authority for final approval and declaration.

II. Levels of Restrictions:

There shall be five levels of restrictions for different classes/ categories of activities. These levels of restrictions shall be applied based on two parameters: Case Positivity Rate and Percentage of Oxygen Beds Occupancy. Every Disaster Management Authority shall enforce these levels of restrictions over administrative units falling under its jurisdiction. The following levels of restrictions are hereby declared along with criteria as well as general guiding principles that may be adopted for containment measures -

Arundh

Levels	Level 1	Level 2	Level 3	Level 4	Level 5
Criteria	(Positivity < 5%) AND (Oxygen Beds Occupancy is less than 25%)	(Positivity < 5%) AND (Oxygen Beds Occupancy is between 25% and 40%)	(Positivity is between 5% And 10%) OR (Oxygen Beds Occupancy is more than 40%)	(Positivity is between 10% and 20%) OR (Oxygen Beds Occupancy is more than 60%)	(Positivity is more than 20%) or (Oxygen Beds Occupancy is more than 75%)
General Guiding Principles	Regular / CAB/ Control over super spreaders like travel by local trains/ marriages etc.	Minimize attendance in closed spaces and Public Places/ Minimize group movements	Minimize movement post 5 PM on weekdays and on weekends.	No Post 5 PM Movement on weekdays and no movement on weekends, without urgent/ emergency reasons	No Movement without urgent/ emergency reasons.

III. Restrictions that are imposed on various economic/ social activities for various levels as envisaged above are to be thus.

from that shall reach their homes by 5 PM and there shall be movements for reasons of either working in these or taking services from these establishments post 5 PM.

2. Few Essential services that are allowed to travel in local trains at higher levels shall be Medical, Government offices and Airport and Port services. SDMA may include some other services in this list if so deemed fit.
3. Whenever an E-Pass is required by a passenger, all the passengers in a vehicle shall require individual passes. Passenger vehicles shall require no separate pass.
4. Government offices and Emergency Services required for Covid 19 management to always work with 100% Attendance. Other government offices may have higher attendance than indicated in above table, in Mumbai with permission of Chief Secretary and in rest of the State, with the permission of respective Disaster Management Authorities.
5. Essential Services includes the following
 1. Hospitals, diagnostic centers, Clinics, vaccinations, Medical insurance offices, Pharmacies, Pharmaceutical companies, other medical and health services including supporting manufacturing and distribution units along with their dealers, transport and supply chain. Manufacturing and distribution of vaccines, sanitizers, masks, medical equipment, their ancillaries, raw material units and support services.
 2. Veterinary Services/ Animal Care shelters and pet food shops
 3. All operations related to forestry as declared by the Forest Department
 4. Aviation and related services (airlines, airports, maintenance, cargo, ground services, catering, fueling, security etc)
 5. Groceries, Vegetables Shops, fruit vendors, dairies, bakeries, confectionaries, all type of food shops.
 6. Cold Storage and Warehousing services

Bruce

- 7. Public Transport: Airplanes, Trains, Taxis, Autos and public buses.
- 8. Services related to functioning of offices of Diplomats of various countries
- 9. Pre Monsoon Activities by local authorities
- 10. All Public Services by local authorities.
- 11. Reserve Bank of India and services designated by RBI as essential
- 12. All offices of SEBI recognized market infrastructure institutions such as Stock Exchanges, depositories, clearing corporations etc and other intermediaries registered with SEBI
- 13. Services required for restoration/ maintenance of telecom services
- 14. Transport of Goods
- 15. Water Supply Services
- 16. Agriculture related activities and all allied activities required to ensure seamless continuity of the agricultural sector including availability of farming input, seeds, fertilizers, equipment's and repairs thereof.
- 17. Export – Import of all commodities
- 18. E-Commerce (only for the supply of essential goods and services)
- 19. Accredited Media
- 20. Petrol Pumps and Petroleum related products; including offshore / onshore production
- 21. All cargo services
- 22. Data Centers/ Cloud Services/ IT services supporting critical infrastructure and services
- 23. Government and Private Security Services

[Handwritten signature]

24. Electric and gas supply services

25. ATM's

26. Postal Services

27. Ports and related activities

28. Custom House Agents/ Licensed Multi Modal Transport Operators associated with movement of vaccines/ lifesaving drugs/ pharmaceutical products.

29. Units producing raw material/ packaging material for any essential services

30. Units that are engaged in production of materials for impending rainy season for individuals as well as for organisations

31. Any Services designated as essential services by local disaster management authority.

6. "Exemptions" to cover the following –

- a. Offices of Central, State and Local governments, including of their statutory authorities and organisations
- b. Cooperative, PSU and Private Banks
- c. Offices of companies providing essential services
- d. Insurance/ Mediclaim Companies
- e. Pharmaceutical company offices needed for management of production/ distribution
- f. RBI regulated entities and intermediaries including standalone primary dealers, CCIL, NPCI, payment system operators and financial market participants operating in RBI regulated markets.
- g. All Non Banking Financial Corporations
- h. All micro finance institutions

i. Offices of advocates if operations of Courts, Tribunals or Commissions of Enquiries are on.

- 7. "Isolation bubble" is defined as onsite accommodation for work force or Accommodation in Near By dedicated colonies wherefrom movement is through dedicated transport service, with max 10% managerial staff coming from outside. "Transport Bubble" means movement of outside employees in dedicated transport service and not through public transport.
- 8. "Regular" means normal ways of transaction with Covid Appropriate Behavior restrictions and subject to any SOP that may be promulgated by State Disaster Management Authority for various activities.
- 9. As far as inter-state travel is concerned this shall be regulated by separate orders from time to time.
- 10. As far as reservation of oxygen production for medical purposes is concerned, this shall be regulated by separate orders from time to time.

IV. State Level Oxygen Trigger: Government has taken note of the fact that medical oxygen is the most critical resource for the treatment of Covid 19. Government has further noted that the production capacity of State of Maharashtra is currently 1200 MT per Day and that there are serious difficulties in sourcing oxygen from out of state sources as well as transporting oxygen to various remote parts of the state. Government is there satisfied that there exists a need to take measures to contain the spread of the virus much before the number of patients requiring oxygen based treatment overwhelms the state's oxygen production capacity. Thus there must be a well quantified oxygen trigger that will be the basis for level 3 and above restrictions across the state.

Given the state's current oxygen production capacity at 1200 MT per Day, as indicated above, and the fact that typically, on an average 1000 Covid 19 patients require 20 MT per Day, the maximum number of patients that can be supported from the state production capacity is 60000. In view of the aforesaid, the following oxygen trigger shall operate:

[Signature]

A. If

I. total oxygen beds occupied are more than 45000 in whole of the state with rising trend of oxygen beds occupancy or,

II. total oxygen beds occupied are more than 50000 irrespective of the trend of oxygen beds occupancy,

then no part of the state, irrespective of other local parameters like Positivity and Oxygen Bed Occupancy, shall be below level 4. This is to ensure that Maharashtra state daily consumption of oxygen for medical treatment remains within the daily production capacity of the state which is about 1200 MT and may cater to about 60000 beds for Covid 19 patients.

B. If

I. total oxygen beds occupied are between 35,000 and 45000 irrespective of the trend of oxygen beds occupancy or

II. total oxygen beds occupancy between 45000 and 50000 with reducing trend,

no part of the state shall be below level 3.

V. The operationalization of the above-mentioned levels of restrictions will be as follows -

- a. Every Thursday, Public Health Department of Government of Maharashtra will declare number of oxygen beds occupied at the state level, as well as positivity rate and oxygen beds occupation percentage in each district. SDMA shall declare whether overarching condition stated in section IV exists.
- b. The District Disaster Management Authority will, based on the above mentioned parameters, after disaggregating these parameters for various administrative units in its jurisdiction, shall decide, subject to state level oxygen trigger as per section IV, which level of restrictions should be imposed in these administrative units, as per the guidelines contained herein.

- c. The restrictions level, if there is any change, will come into effect from the following Monday.
- VI. The DDMA shall have the powers to make minor modifications in respect of restrictions relating to activities mentioned in the table under section III to meet with local exigencies. However, such modifications shall be kept to the minimum and shall be brought into force only with the concurrence of State Disaster Management Authority.

BY ORDER AND IN THE NAME OF THE GOVERNOR OF MAHARASHTRA

04/6/21
(Sitaram Kunte)
Chief Secretary

GOVERNMENT OF MAHARASHTRA
Department of Revenue and Forest, Disaster Management,
Relief and Rehabilitation, Mantralaya, Mumbai- 400 032
No: DMU/2020/CR. 92/DisM-1, Dated: 4th June , 2021

ORDER

Reference:

1. The Epidemic Diseases Act, 1897.
2. The Disaster Management Act, 2005
3. Revenue and Forest, Disaster Management, Relief and Rehabilitation Department Order No. DMU-2020/C.R.92/DMU-I, dated 4th June, 2021.

The State Government vide its Order dated 4th June, 2021 has notified levels of restrictions to be imposed in various administrative units in different districts of the State, as per the COVID 19 positivity rate and the Oxygen Beds Occupancy in these administrative units.

Section IV of the said order defines the State Level Oxygen Trigger. As per the information received from the Public Health Department, the total number of oxygen beds occupied across the State are 31224 with a declining trend, as on 3rd June 2021. This number being less than 35000, State Level Oxygen Trigger does not get operated for the ensuing week.

Oxygen Bed Occupancy and Positivity Rates as on Thursday 3rd June, 2021 for various districts as informed by Public Health Department are attached herewith.

Based on these figures, the districts/ administrative units may now decide which level of restrictions should be imposed in their respective administrative units as per the order dated 4th June, 2021. If a district has more than one administrative units then it should disaggregate and calculate these indicators for different administrative units and then decide.

The said orders may be issued by the respective Disaster Management Authorities at the earliest and the declared levels for each such unit to come into force from Monday, 7th June, 2021.
