Bhabha Atomic Research Centre
MOLECULAR BIOLOGY DIVISION

Ref: BARC/MBD/2022/I/23260

Date: 27/05/2022

Sub: Invitation of quotation for Custom cDNA synthesis

1. Quotations are invited for custom cDNA synthesis: cDNA synthesis with codon optimization, cloning in plasmid expression vector and sequence verification of 15 cDNAs, size range: 300-400 bp.
2. Information of cDNA sequences and plasmid vector to be used for cloning will be provided.
3. The bidder shall quote for the fabrication of these components without material supply.
4. The quotation must include two separate sealed envelopes for technical details and cost details. The PAN/TIN/ST No. etc. of the firm/supplier. Taxes and excise duties shall be quoted separately. Form AF shall be provided wherever necessary.
5. The quotation must reach to "The Head, Molecular Biology Division, Bhabha Atomic Research Centre, Trombay, Mumbai, Maharashtra-400085" by 23 June, 2022
6. The quotation must be sent in a sealed envelope (by speed post/ by post) super scribed with "Quotation for Custom cDNA synthesis (Attn. Dr. Ajay Saini)", indicating the above reference and due date.
7. The bidder shall have to take insurance policy against any material issued to him by the purchaser.
8. The bidder shall supply the cloned cDNAs along with sequence and validation reports both as hard copy and soft copy.
9. The bidder shall deliver the finished components within four months from the date of firm purchase order issued to the bidder.
10. The finished components and the scrap from the free issue material (if any) shall be delivered by the bidder at Molecular Biology Division, MODLABs, Bhabha Atomic Research Centre, Trombay, Mumbai 400 085.
11. Head MBD, BSG, BARC reserves the right to accept/reject any or all quotations without assigning any reason.
