CORRIGENDUM

Due date for submission of response-cum-offer for "Design, development, supply, installation and commissioning of Environmental Radiation Monitor with Satellite communication (ERM-SAT)" against NIT No BARC/RSSD/IERMON/2018/445 dated 30/5/18 was 16/7/18.

As many vendors have requested for more time to submit their response, the due date for submission of response for above mentioned NIT has been extended till July 31, 2018.

Subsequent to this, the date of demonstration of capability and concept by the vendors, as per NIT, will be communicated later.
