Ref: LPTD/ GKK/ works /2019/ 188556

Date: ०१/10/2019

Sub: Minor Fabrication- Invitation of quotations
Due date: 23/10/2019

Dear Sirs,

Quotations are invited for the "Fabrication of electronic control cards for Heater power source of RIS project hall-6" as per technical specifications and scope of work. The bidder shall quote for fabrication of these components with material.

1. GST shall be quoted separately. Form H/AF shall be provided wherever necessary.
2. Quotations are to be in printed letter head / quotation format which should consist of GSTN registered with the local ST authority/ CST authority, PAN number etc. Quotations that are received in computer- generated form will be construed as invalid and rejected.
3. The quotations must reach, Head, Laser & Plasma Technology Division by 23/10/2019 and must be sent in a sealed envelope super scribed with the above reference number and due date given above by **speed post or registered post** only.
4. The address on the envelope should read:

The Head,
Laser & Plasma Technology Division,
Bhabha Atomic Research Centre,
Trombay, Mumbai-400 085.

Attn: Gopal K. Kalwale

The bidder shall have to take an insurance policy against any material issued to him by the purchaser.

5. The fabrication work shall be subject to inspection by our engineer. The finished components shall not be dispatched prior to approval by our engineer at bidder's works. Necessary inspection facilities shall be provided to our engineers during fabrication at bidder's premises.
6. The bidder shall deliver the finished components after the approval by our engineer, within **one month** from the date of our firm purchase order is issued to the bidder. The finished components and the scrap from the free issue material shall be delivered by the bidder at: Control room, Hall no.6, Laser & Plasma Technology Division, Trombay, Mumbai-400 085.
7. Head, Laser & Plasma Technology Division, BARC reserves the right to accept/reject any or all quotations without assigning any reason.

Yours sincerely,

R.L. Bhardwaj
SO/G, L&PTD

Quotation shall be opened on date 24/10/2019 at 2.00pm

Technical specifications and scope of work for Fabrication of electronic control cards for Heater power source of RIS project hall-6
Qty. 05 nos.

It is required to fabricate electronic cards and integrate these electronic cards with Heater power source for control. These cards will be used in the background of EMI/ frequent electromagnet pulse atmosphere. The vender shall discuss circuit diagrams, PCB sizing, component listing etc. required for these cards before submitting the quotation. The scope of work for this job is as given below.

Scope of work:

1. Preparation and getting approval of schematic/drawing for electronic control cards including interface connector details and its enclosure.
2. Design of the PCB artwork and layout for above cards.
3. Fabrication of PCBs after getting approval of layout/artwork and assembly of components for above mentioned cards.
4. Procurement of components for assembly is also in vendor's scope.
5. Pre dispatch inspection and testing is required at fabricator's site.
6. One set of spare components is also required to be supplied.
7. Safe delivery at North gate, BARC, Trombay, Mumbai.
8. NO Free Issue Material

Gopal K. Kalwale
