Attn: M.P.Paulose, SO/E

1. Interested bidders may contact the undersigned (Tel: 25590975) on any working day for briefing of the work, site visit and issue of tender.
2. The tender along with equipment details and technical specification will be issued to shortlisted bidders those who have similar type of work experience with BARC or any other reputed organisation.
3. The bidder should send an application for obtaining the tender with their company profile, employee details and details of similar type of work executed in BARC in the recent past and the jobs currently undertaken.
4. All bidders should provide documentary evidences of similar type of work executed in BARC or any other DAE units.
5. Copies of PVC for their employees also should be submitted for verifications.
6. Tender issue date is from 10/11/2021 to 26/11/2021 on all working days.
7. Sealed quotations will be accepted at our office via speed post only on or before **30/11/2021** and the quotations will be opened on next working day.
8. Hand delivered quotations will be not be accepted as per BARC policy

9. The quotations will be opened by an authorized committee or by Works section in Chemical technology Group/BARC and no bidders are allowed to witness it due security reasons.
10. The tender will be issued free of cost to shortlisted bidders only after scrutinizing their credentials and experience in similar work.
11. The tender will not be sent by post or courier.
12. The successful bidder should provide on call services for a period of one year. Response time should be immediately and resolution time will be within 48 hours.
13. The successful bidder should carry out preventive maintenance and servicing of all equipments once in 3 months without any additional cost. Service reports for preventive and break down maintenance should be prepared and submitted by the contractor and approval from BARC representative should be obtained before leaving the work site. A copy of duly signed service reports should be submitted along with the bills for payment.
14. All spares and equipment for up keeping of the system will be supplied and installed and all such items are to be included in this contract. No spares or additional charges will be paid for replacement of any spare parts. All spare parts should be replaced with same make and model of the original equipment.
15. Any kind of breakdown jobs should be attended immediately after the problem is reported orally or by telephone message. Any such work shall be completed within 24 hours (including holidays if required) of reporting the problem. All breakdown and maintenance jobs are in the scope of the contractor.
16. All manpower and experts for this AMC will be sourced and provided by the bidder. No additional charges will be paid for bringing/attending any OEM experts for this AMC.
17. All license application softwares, operating systems software, media etc. will be in the scope of the bidder. BARC will not provide any such software support to the successful bidder.
18. Presently all systems are working normally. Two touch key pad of repeater panel Bosch fire alarm system is not working now. This also should be included in the AMC charges. Batteries of some systems also to be replaced. However the bidder is advised to visit and assess all systems before submitting the offer.
