Subject: Notice inviting tender for replacement of AC motor integrated Immersion Pump to recirculate the heated oil from hydraulic testing machine (UTM)

Sealed quotations are invited by Head, Reactor Safety Division, Bhabha Atomic Research Centre, for and on behalf of President of India for replacement of AC motor integrated Immersion Pump as per the requirements given below:

Technical specification of items to be replaced:

SN	List of items	Technical specification	Quantity (nos.)
1	AC motor integrated Immersion Pump to recirculate the heated oil from hydraulic testing machine (UTM)	Flow: 120 lpm at 20 m head, Operating Voltage: 415V, 3 phase, 1.50 Kw	1

Note to the bidder:

1. Scope of the activity:

- i. AC motor integrated Immersion Pump supply
- ii. Warranty Coverage
- iii. Safe delivery at BARC north gate

2. Quality and Testing

The replaced items shall be of good quality and brand new. Technical specification must be matched with above mentioned specification.

3. Warranty and after-sale service

- i. Bidder shall provide minimum one year warranty on delivered product. The warranty certificates shall be submitted along with the bills.
- ii. If any of replaced parts fail or are proven defective within the warranty period specified above, owing to defect in design, material or workmanship, bidder shall have to replace them at user's site without asking for any extra charges.
- iii. Bidder shall ensure to render after sales services during the warranty period to the satisfaction of purchaser.

4. Liquidated damages for delay in delivery / quality problems

The bidder shall specify the delivery period. **Total delivery period not exceeding 30 days after the placement of final work order.** Bidder shall have to pay to the company by way of liquidated damages and not as penalty an amount equal to 0.5% of the value of the replaced items so delayed for each week or part there of such delay in delivery, subject to maximum of 10% of the total order value.

5. Safety

Bidder should ensure necessary safety measures to their employees during the transportation and safe delivery of product. In case of any accident/ injury to any of their employee, bidder must bear all the required cost for the treatment/ hospitalization. Bidder should ensure proper statutory safeguards against such eventualities.

6. Sealed quotations must reach Head, RSD, Engineering Hall No. 7, BARC, Trombay, Mumbai-400085 by **December 10, 2021** by Speed Post/ Registered post only. The envelope should super scribe "**MINOR FABRICATION**" and indicate this enquiry "**REFERENCE NUMBER**".

7. The work for which this quotation is being invited is meant for research purpose of a Research Institute under the Department of Atomic Energy and therefore the price to be quoted for the work should be exclusive of the excise duty. The purchaser will make available to the successful bidder with whom a work order is placed the excise duty exemption certificate duly signed by the authorized officer in the Department of Atomic Energy well before the completion of the work by the supplier. **While submitting the offer, the bidder shall specify in his offer that the price quoted by him does not include any element of excise duty, subject to production of exemption certificate.** Where, however, the prices quoted are inclusive of excise duty, the percentage/quantum of excise duty included in the quoted price shall be specifically indicated in the Tender.

8. The payment shall be made as per rules after completion of the job satisfactorily.

9. Quotation shall bear PAN No. and GST No. without which their quotation shall be treated as invalid quotation. Bidders without having above details need not submit quotations as their quotation will be treated invalid.

10. Bidder should affix stamp of their company on the bid.

11. Validity: The offer shall be kept open for acceptance for a period of 60 days from the date

of opening of Quotation.

12. Confidentiality: No party shall disclose any information to any third party concerning the matters under this contract generally. In particular, any information identified as "Proprietary" in nature by the disclosing party shall be kept strictly confidential by the receiving party and shall not be disclosed to any third party without the prior consent of the original disclosing party. This clause shall apply to the sub-contractors, consultants, advisors or the employees engaged by a party with equal force.

13. Prohibition against use of BARC's name without permission for publicity purposes: The Contractor, sub-contractor, consultant, advisor or the employees engaged by the contractor shall not use BARC's name for any publicity purpose through any public media like Press, Radio, T.V. or Internet without the prior written approval of BARC.

14. Head, RSD reserves the right to accept/ reject any or all the Quotations received without assigning any reason whatsoever.

15. "Restricted information" categories under Section 18 of the Atomic Energy Act, 1962 and "Official Secrets" under Section 5 of the Official Secrets Act, 1923: Any contravention of the above-mentioned provisions by any contractor, sub-contractor, consultant, advisor or the employees of a contractor will invite penal consequences under the aforesaid legislation.
