

**Spot Welding machine :-**

**Machelonic made Bench Mtg Spot Welder working on  
Resistive heating method.**

**Welding Depth : 100 mm**

**Welding clearance : 35 to 65 mm**

**Electrode Stroke : 30 mm**

**Electrode diameter : 6 mm**

**Electrode Pressure : 0.5 to 15 kg**

**Max Short circuit current: 3.0/ 4.5 KA**

**Contact Person : Shri Prashant Nalawade. Extn:-  
22360,25098, 22386**
