B. Technical Terms & Conditions

1. All the works shall be carried out at AFD, BARC, Trombay, Mumbai. The work will be subjected to inspection by the departmental personnel.
2. Work completion period is 12 months from the date of issue of work order.
3. All material, equipment and tooling will be supplied by AFD, BARC.
4. The required manpower for above mentioned works shall be arranged by the vendor.
5. At least 5 unskilled persons shall be available on the site to carry out the work on the regular basis except Saturday, Sunday and national holidays for a period of 12 months from the date of commencement of work order.
6. Unskilled personnel working at site shall have minimum 2 years of working experience in the mechanical industries unless otherwise specified.
7. The personnel shall undergo detailed training in radiation protection including emergency procedures applicable to the plant. They will be adequately trained so that they are fully familiar with the procedures and work methods of the plant.
8. The literacy level of workers should be such that they should be able to read, write and absorb the training imparted to them and understand radiation safety.
9. The demands of work require the person to be able to lift loads up to 25 kg. Valid medical fitness certificates of all personnel shall be produced after placement of work order/ contract document as per prescribed format. The fitness certificates shall be obtained from Medical Practitioner registered with Indian Medical Council.

10. Prescribed Personnel Radiation Monitoring devices will be issued to the personnel carrying out work at the plant. The vendor shall ensure that his personnel use these devices as prescribed.
11. All personnel will be required to report to Health Physicist, AFD, before commencement of work and after completion of work every day.
12. During the execution of work, all safety instructions are to be followed. This work includes working in an area with possible radioactive contamination, hence the vendor should strictly ensure that the personnel carrying out work shall wear all necessary personnel protective equipment as prescribed.
13. The Supervisor from vendor shall be present at site during the work. The supervisor shall be experienced enough for safety (fire & personal) to oversee the site activities. BARC will not be responsible for any injury or accident taking place on site. Any loss or damage to property, machine, equipment, tools will be recovered from the vendor.
14. Proportionate amount shall be deducted from vendor's bill for non-completed portion of work due to the non-availability of vendor's personnel at AFD during contract period.
15. Vendor shall provide a suitable replacement in case of unsatisfactory performance/behavior or irregular attendance for any of their personnel.
16. Personal protective gears such as boiler suits, hand gloves and respirator (if required for occupational hazard) will be provided by us.
17. Personal protective gears such as safety shoes suitable for Mechanical workshop, socks, undergarments, Face cover/mask and soap shall be provided by the vendor. No personnel will be allowed to work without safety gear.
18. Personnel working at site should carry out cleaning of site and its surrounding at regular intervals, maintain safe and hygienic work environment.
19. Vendor should have previous experience of similar type of work and shall have to produce documentary evidences of the same for site visit clearance. The vendor shall have to submit the documents of relevant experience along with site visit request through email. The site visit will only be cleared after verifying the credentials of the vendor. Quotations submitted without documentary evidences of experience and site visit will not be considered.
